Maybank Indonesia held a press conference to provide updates on the preparations for **Maybank Marathon 2022**, on Saturday, 27 August 2022, at Taman Bhagawan, Bali.

The press conference was hosted by **Widya Permana**, **Maybank Indonesia's Director of Operations** in his capacity as **Project Director of Maybank Marathon 2022** and **Deniawan Rachmatialevi**, **Project Manager of Maybank Marathon 2022**.

The flag-off, which marks the start of **Maybank Marathon 2022**, was done in stages starting with Marathon (42.195 km) category at 04.30 Indonesia Central Time Zone (WITA), followed by Half Marathon (21.0975 km) at 05.15 WITA, and 10K at 06.00 WITA, and wheelchair at 06.10 WITA. In celebration of one decade of the **Maybank Marathon**, this year's event will compete for a total prize of around Rp2.7 billion for 118 winners including record-breakers.

Maybank Indonesia saw runners' enthusiasm and interest to join **Maybank Marathon 2022** as the total participants is on par with the previous events before the pandemic. With the support from the central and regional Government during this recovery period, this has made it possible for marathon enthusiasts to participate the **Maybank Marathon 2022** in Bali said the Project Director Maybank Marathon.

As part of the World Athletics' 'Elite' label road race and its one decade anniversary, **Maybank Marathon 2022** was participated by 10 elite marathon runners, 5 (five) elite male marathon runners and 5 (five) elite female marathon runners. Likewise, **Maybank Marathon 2022** included Indonesia's 9 (nine) personal-best time national marathon athletes in the race, consisting of 5 (five) male marathon national runners and 4 (four) female marathon national runners.
